

Utility Shutoff Sheet

NEW WORLD SURVIVAL • FILL-IN SHEET

newworldsurvival.com/printables/

Fill this in once, then mount it near the shutoffs. Anyone in the household should be able to act without calling you. If you smell gas, leave first and call from outside. Only the utility company turns gas back on.

WATER

Main shutoff

Near the street, or where the line enters

Tool needed

Meter key, wrench, or hand valve

GAS

Meter location

Keep a wrench attached to the meter

Utility emergency line

Call from outside the building

ELECTRIC

Main breaker

Branch breakers first, then the main

Utility outage line
